

We are Square Design The good display for your brand.

As a trusted manufacturer in the point-of-sale industry, we bring brands to life by creating innovative, eye-catching displays tailored to enhance product visibility and engage customers.

With a deep passion for design and precision craftsmanship, we transform sustainable materials like plywood and solid wood into bespoke retail solutions.

From minimalist elegance to bold statement pieces, our displays reflect the unique identity of every brand we partner with.

The mark of
responsible forestry
